

Name: Josh Oberembt

Class of works: I am writing in support of Class #1 (Copy-Protected CDs):  
Sound recordings released on compact disc ("CDs") that are protected by  
technological protection measures that malfunction so as to prevent access on  
certain playback devices.

Summary:

Disc name: Soundtrack: Fast and Furious

This CD does not play well in my high end factory car CD player. When it does  
play, it skips a lot, and there are audible static pops. All other CDs play  
fine in my car player.
